

Our goal at Garden Bouquet is to create a beautiful, joyous environment for your wedding celebration with elegant floral pieces and accents that reflect your personal tastes.

Garden Bouquet weddings are entirely individualized. We do not offer any packages, but instead, we work with our clients to provide custom floral design services that meet their specific needs. Garden Bouquet signature designs use only premium flowers, designed to reflect your personal style. Our signature designs often include such flowers as hydrangea, roses, oriental lilies, alstromeria, gerbera daisies, and wildflowers. In addition we offer flowers with a sophisticated beauty, such as calla lilies, orchids, ranunculus, and are accented with berries, greens, or stephanotis. It is important to us that our floral designs enhance the beauty of your wedding celebration, and we'll work with you to achieve that perfect look.
